**COMMUNITY FOOD GUIDE  
2021 SPONSORSHIP INFO**

The Community Food Guide (CFG) is an annual ~100 page magazine published by Cooperation Humboldt.

The CFG promotes food justice in Humboldt & Del Norte counties by promoting access, equity, education, and empowerment in our local food system. Our priorities:

- Presenting useful and empowering information about growing and consuming locally produced food in a format that is fun and easy to understand.
- Proactively soliciting input from under-served/under-resourced populations and working to make the CFG more useful to them.
- Centering the cultural knowledge, experiences, and wisdom of the original inhabitants of this land with respect to our relationship with food and the natural world.
- Using the CFG to specifically support BIPOC-, Women-, and Queer-owned food businesses.
- Leveraging the CFG to strengthen and grow our local food system and to promote food sovereignty, localization, and non-corporatization of our food supply.

All sponsorships are tax-deductible, and all funds go directly to publication and distribution costs for the CFG.
